

## AN OPEN LETTER FROM REALTYADS:

Our medical professionals, communities, and government officials need us all in combatting COVID-19. That's why until meaningful progress is made defeating the Coronavirus, RealtyAds will:

1. **Donate 15% of All Profits** to The Greater Chicago Food Depository & Project C.U.R.E
2. **Match, In Full, All Employee Donations** to a Charity of Their Choice

This money will provide needed medical equipment to our healthcare professionals and feed families financially impacted by the COVID-19 outbreak.

We hope that the #CRETECH industry will join us in giving back. Our collective support will go a long way in putting this outbreak behind us.

Sincerely,
